

Moose and Red Deer hunting in Kårøyen, Norway

This is your chance to take part in Moose hunting as it's practiced in the middle part of Norway, in an area with high success rate. One of your guides leads the dog which will track down and distract the Moose. This gives you the opportunity to come closer and get into a safe and sure shooting position, this is a very exciting way of hunting!

- 1 to 2 hunters
- 6 days
- 5-7 Mooses & 8 red deers on the quota
- No trophy fees

The hunting grounds stretch out for about 1700 hectares and forms a green oasis in the middle of pineforests, attracting an abundance of game.
